Newsletter, Special Issue on
Transnational Organized Crime: SAARC Perspective

It is with a sense of delight that I convey this message of best wishes for the special edition of PSC Newsletter after the successful completion of the 1st SAARC training course on 'Transnational Organized Crime: SAARC Perspective'. It is indeed a commendable success of Bangladesh Police as well as Police Staff College Bangladesh.

Police Staff College Bangladesh has sprung with many distinguished participants from SAARC countries with remarkable accomplishments. I am sure this training programme will amplify the sentiments of regional cooperation among the participants. The spirit taken from Police Staff College Bangladesh will remain alight in the hearts of all participants. It is my wish that this is translated to the manner they operate, interact and focus on the unity of our purpose.

I hope the flavour of this special edition of PSC Newsletter will cut through the minds of the readers making a significant difference from all other publications of its kind.
